PPM SWITCH BY SUITEPRO-G

Cumbersome ?

Rigid ?

Switch to SuitePro-G

Your PPM is ...

Outdated ?

Costly ?

The pragmatic PPM solution to replace the existing one, without license costs.

Value from the very first arbitrations

Governance regains control

A PPM for governance and decision-making

Our PPM SuitePro-G tool is designed to address the specific challenges faced by PMOs, project management departments, and IT departments: managing portfolios, arbitrating, prioritizing, and making decisions.

Consolidated portfolio view in real time

Structured management of demand and trade-offs

Clear control of loads and capacities

Clear and shared governance framework

Intuitive, pragmatic SaaS platform voted best value for money on the market

Why is PPM Switch a unique opportunity?

- ➔ No more **expensive** PPM licenses
- ➔ No more **rigid** tools that are rarely used
- ➔ Make way for **modern, fluid, and efficient** PPM for immediate ROI

Who is PPM Switch intended for?

- ➔ Companies at the **end of their PPM contracts**
- ➔ PMOs and IT departments that want to **simplify without sacrificing power**
- ➔ Project departments ready to **change standards**

Limited offer

Licenses offered until **December 31, 2026**

Offer reserved for PPM replacement projects (covered by a software publisher contract).
